WAR MAY CREATE TWO GRAIN MARTS

Fierce Dissensions Splitting Chicago Board of Trade.

CHICAGO, Dec. 21.—The Chicago Board of Trade, the premier grain market of the world, is in danger of splitting in two as the result of the dissensions which for months have taken attention from the markets and made the floor of the exchange a great debating school. Unless a radical change occurs there will be two boards of trade in a few months.

One amendment voted down yesterday provided for the filing of claims against members who are in debt and the compulsory transfer of their memberships. This change was intended to do away with the class of members who, in the words of a former president, "are possessed only of a trading card and a lead pencil." Another amendment, by which members who were out of town would be permitted to vote by proxy instead of in person, went the same way. The two votes showed that the local traders are in absolute control of the board.

Should a new exchange be created it would be on the lines of the limited membership, like the New York Stock Exchange. The change will leave the present organization with the smaller speculative traders, but the great private wire houses and the elevator companies will be gone.

WHITE SOX AND CUBS MAY MEET IN SPRING

CHICAGO, Ill., Dec. 21.—The world's baseball series contestants of last fall may play a series of games next spring in New Orleans, provided the arrangements can be completed for the two teams to come together when the White Sox return from their Mexican trip. President Murphy, of the Cubs, said today that he was willing, provided the arrangement was agreeable to Manager Chance. The Cubs are to train in Texas, and will be conveniently located. It is believed that such a series would be to the liking of Owner Comiskey.

CHAMPIONSHIP GOLF TOURNAMENT AWARDED

NEW YORK, Dec. 21.—At the meeting of the executive committee of the Metropolitan Golf Association last night the Nassau Country Club was awarded the 1907 championship tournament of the association.

Another matter taken up was the proposed Eastern open championship tournament. The committee has drafted a letter which will be sent to the golf associations of Massachusetts and Philadelphia asking their co-operation.

Manager "Bill" Murray, of the Philadelphia club, expects to be able to leave the hospital by January 1.

Barney Dreyfus and Fred Clarke have decided what players can be spared and who will be retained.
